Abstract

This is an exact pattern page, the format of which must be followed for all papers .

1. INTRODUCTION

All papers must be written using Microsoft Word version 2 or newer. The fonts used must be Times New Roman, with size 14 for the Title of the paper, 12 for all the topics of the paper and 10 for the captions of figures and tables. Margins: Top and Bottom 2,54, Left and Right 3,17 in paper size A4.

2. FIRST TOPIC

2. 1. 1. First subject of first topic

In this way must be divided the paper in its different units.

This is a JAE picture or table

Figure 1. The figures must be centered with font caption of size ten, centered too.

And this is the way to place an equation (1)

3. CONCLUSION

No spacing before and after paragraphs is needed. No footer or Header caption is recommended. Page numbering is not obligatory.
